## TERMS AND CONDITIONS

**ARTWORK:** Artwork should be supplied in electronic format, preferably Vector format (Converted to Curves), Corel Draw file, illustrator or EPS file for PC (not Macintosh). If this cannot be provided the charge incurred for artwork is \$83.00 (C).

The client assumes all liability for accuracy of imprint, imprint colors and placement when approving the art proof.

**LOGO POSITIONING:** Due to variance in shapes of our products, logo positioning is done using the handle. The lid or spouts may not always be centered. Print location may vary from position on actual paper proof.

**IMPRINT ON DARK SURFACES:** Colour matching on dark surfaces cannot always be exact.

**IMPRINT ON FUNNEL SHAPED DRINKWARE:** Logo may have to be modified slightly on these shaped items.

-Four colour process artwork will be subject to further charges if not properly formatted and certain minimums may be necessary to avoid additional costs. We reserve the right to determine these costs prior to production. Exact PMS colour matches are not available. We try to match your colour selection as closely as possible using PMS numbers as a reference only. If a special colour is desired, such a request must be clearly stated and a specimen of the colour to be matched must accompany the order. Special colours may delay your order.

- Gold, Platinum or Purple prints, add \$1.33(C) per side.  
- Due to the nature of ceramic colours, an exact match cannot be guaranteed.

- Due to variance in production equipment, processing inks and other conditions between your original order and reorder, a reasonable variation from the original order to the reorder is considered within acceptable industry standards.  
- Wraparound or second side imprints are available at no extra cost on most items if the same colour imprint is used.  
- Banding, Acid Wash, Powder Coating, and "Window Effects" are subject to certain minimums and may not be available on certain items. Complex jobs and items not priced or shown available in catalog will be handled on a net price quoting basis.

**ARTWORK MODIFICATION:** Charge \$25.00(C) when applicable.

**LARGE VOLUME QUOTATIONS/SPECIAL PRODUCTS:** Large volume pricing can be obtained for all catalog items and many other models upon request. Exclusive technical production and actual products can be produced subject to minimums and other factors.

**SAMPLES:** Blank or actual fired samples can be provided prior to production. Small runs are subject to net charges for samples at a price of \$75.00 (C). However, on larger runs an actual fired sample may be provided at no charge to sign off on prior to production.  
- Any revisions or changes to your original instructions for any speculative samples will incur additional art, screen, and sampling charges, and will revise your scheduled ship date. Due to the variances in production equipment, processing, inks and other conditions between proofing (sampling) and the actual production run, a reasonable variation from the production sample to the production run is considered within industry standards.

**GIFT PACKAGING:** Custom boxing can be provided, subject to certain minimums and availability, etc... Consult catalog and Customer service for further details.

**TRADEMARKS:** Any artwork submitted by you or your client will be accepted with the understanding that they are in full compliance with all laws regarding service mark, patent right to privacy and other similar protection. Ad-N-Art disclaims any and all liability for violation to compliance or any laws regarding these matters upon receipt of a purchase order from our clients. Proof of license may be required for copyrighted logos.

**OVERRUNS AND UNDER RUNS:** We reserve the right to ship up to 5% over or under quantities ordered and invoice accordingly. Orders subject to no overrun may have 5% under runs and vise versa. Decals are subject to 10% over or under runs. On larger orders this will not exceed 2%. Goods broken or lost in transit excluded.

**DELIVERY:** Normal production is between 5-10 working days of receipt of artwork approval and confirmed purchase order. Large orders, non stock items and busy periods are subject to possible further delays. Contact factory for approval of rush delivery dates or special services.

**RUSH SERVICES:** Rush services are available on request and are based on the production capabilities of the factory. Consult the Customer service for price quotes and availability options. Rush charge is \$100.00(C) when applicable.
